- All vehicles must run a DOT tire
- Trophies Awarded to Winner and R/U in each class

MAX EFFORT Rules 2026

- There will be Four Max Effort classes:
 - EVO/DSM
 - DCT
 - F6X Open to any 6-cylinder FR, FF or AWD with Auto or Manual Trans
 - F4X New!!! Open to any 4-cylinder FR, FF or AWD.
- All Max Effort competitors may also compete in any Shootout drag racing class in addition to Max Effort.
- All Max Effort vehicles must be Shootout Class Legal.
- The owner of vehicle must also be the driver, no driver changes permitted.
- All vehicles must run a DOT RADIAL tire. The same tires must be run for both the autocross and dragstrip portions of the event. Tire must have a distinct full tread pattern. Tires with only longitudinal grooves will not be permitted (an example of the tread design that is not permitted is the Hoosier Drag Radial).
- All DSMs or other Mitsubishi shootout-legal vehicles will compete in DSM. This includes Starion, Conquest, 3000GT, Colt, etc.
- EVOs/Ralliarts will compete in EVO.
- R35 GTRs and other DCT-equipped vehicles will compete in DCT class.
- Depending on the number of entries, each Max Effort competitor will get 3-5 runs (possibly more if time permits) for the autocross portion of the competition.
- \$300 Winner / \$150 R/U plus trophies

SCORING: The quickest autocross lap time will be added to the quickest quarter-mile time to get your Max Effort time. Quickest Max Effort time will take 1st place in the class.
